

Pets Safe At Home

174 Animals Benefited this Year!

Pets Safe At Home helps pets who are at risk of being surrendered to Columbus Animal Care & Control.

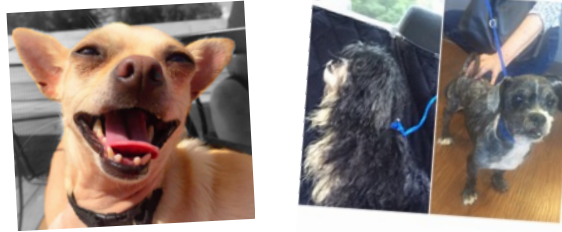

This program operates through our Frances Steed Memorial Fund. It assists with impound fees, vetting, fencing reinforcement, rehoming assistance, and emergency food. Work that happens because of your generous donations.

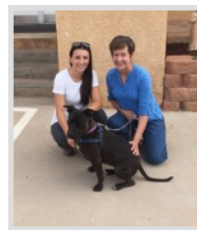

CACC Medical

Through our CACC Medical fund we were able to help **23** dogs who came in needing medical attention while waiting out their stray hold.

CACC Vaccine Campaign

Starting January 2017, we are expanding to provide the needed vaccines to CACC so **every** animal is vaccinated on intake.
